

Aim High Charitable Trust (AHCT) - Scholarship Program Overview

Background

Supported by families who want to support youth who have overcome challenges in their lives, who aspire to succeed in higher education and who desire to use their talents and energies to positively influence their communities.

College presents academic, social and personal challenges for all students. Even the brightest and most talented youth may struggle with college if they do not have adequate financial resources to enable them to focus on their education. AHCT mission is to enhance the graduation rate and the academic and social experience of low-income students by providing them with targeted financial support.

Criteria/Qualities of the Ideal Candidate

- Outstanding academic record in high school
- Financial need
- Highly motivated
- Evidence of commitment to others/community
- Potential to become a leader and have an impact on local community and the broader society
- Strong personal character

Support provided

Students will receive scholarships for tuition assistance, housing costs, books, computers and other education related cost. The Scholarship is renewable each year provided students are in good academic standing

Application process

Institutional Partners identify students whom they believe meet the eligibility criteria and who embody the spirit of this scholarship program. These students are invited to complete the AHCT application and submit the following materials:

- Financial aid application
- High school transcript and SAT or ACT scores
- A writing sample that reflects the student personal history and aspirations for the future
- Recommendation from Institutional Partner

Applications and all supporting information can be found at our website: <http://www.aimhighcharitabletrust.org>
